

Five Star Publications Co-Opportunities

Whether you're an author or a publisher, Five Star Publications will be happy to include your book in our co-op displays. Since we're also a publisher, it allows us the opportunity to show our own books as we share the stage with you.

What are the benefits of co-opping with Five Star? Increased visibility for your book; saving on airfare, travel time, and hotel expenses; as well as not having to work the event yourself, pay for your own booth, or put together your display—we do it all *for* you.

Our authors benefit from increased book sales and opportunities for speaking events—long after a show is over. While there are no guarantees, oftentimes you'll see an increase in sales through your distributor or Amazon.com.

You don't need to be present at any event!
