**“KIDS CAN PUBLISH” GRANT**

**Grant Application**

Classroom learning has long been enhanced through the implementation of innovative classroom projects. However, funding for such efforts is becoming increasingly difficult to obtain from traditional sources. *Granted! A Teacher's Guide to Writing and Winning Classroom Grants* was written by Chris Taylor to help teachers, administrators, librarians, parents, and school volunteers discover new, nontraditional means to fund such projects. The book provides a step-by-step process to write and win classroom grants.
