

# Another Five Star Gold Nugget!

“Tapping into the mother lode”  
 With Author: Bryan/Tom Lambke

Miners seldom, if ever, strike the mother lode overnight. Their find begins with prospecting, which requires using the right tools and a lot of hard labor. After which, they uncover a few gold nuggets, which might not seem like much at first; but, every good miner knows that those nuggets can eventually lead to the mother lode!

The book	I Just Am: A story of Down Syndrome Awareness and Tolerance
The tool	Linda Radke of Five Star Publications suggested Tom Lambke send information about <i>I Just Am</i> to Terri Mauro, Guide to Parenting Special Needs at About.com, which is part of the New York Times Company.
Nugget	Tom’s letter interested Terri, and she requested a review copy for the Harried Parent’s Book Club, which Linda sent along with a photo of Bryan and his puppet.
Mother lode	Terri liked what she read and listed <i>I Just Am</i> in the Harried Parent’s Book Club saying, “If you’re looking for a book to explain Down syndrome to children or teens – anyone, really, who responds to photos and captions better than long detailed text – <i>I Just Am</i> is an excellent choice.”
