Monthly Bulletin Article – July-August, 2005 Issue

First and foremost, I would like to thank Barbara Tricoci for three fantastic years as Sisterhood President. She has shoes that will be very hard to fill. She has done a wonderful job with the growth of our Sisterhood, and heading our yearly events, Women's League and Sisterhood Shabbat. The last few years have been fun and exciting for everyone, and we owe it all to Barbara.

Our installation luncheon at Tutti Santi on June 12th was a big success. We certainly enjoyed spending time with some many of our fellow members.

I want to take this opportunity to thank Phyllis Fleschler and Aliza Goland from our "Big Sister Sisterhood" in Northridge, California for presiding over our ceremony and making it a special event.
