**Lois Zeidman –**

- **New Year's Greetings** – good response. Full page, ½ page, and ¼ page greetings available. Interested people need to get their information to Lois this week. Lois has a list of individuals who requested greetings last year - Leslie and Loretta will call all the names on the list to see if they are interested again this year. Judi Missel will be doing the computer work for the greetings.
  
- **License Plates** – Lois was considering having them available for Chanukah. There is quite a bit of concern about anti-Semitism. May shelve this project due to lack of interest.
