Honey from the Holy Land

Rosh Hashanah, the Jewish New Year, is a time to make resolutions as you plan a better life. It is also a time for introspection, looking back at the mistakes of the past year and planning the changes for the new year.

Families will soon dip apples and/or bread in honey to symbolize their desire for a sweet year. Chandler, Arizona's Temple Beth Sholom's Sisterhood provides you with a simple means to provide the honey that reminds them of the sweetness that lies ahead and your good wishes. TBS Sisterhood will do all the work so you can be there with them at this most holy of Holy days.

Take advantage of this unique opportunity to wish friends, colleagues and loved ones a happy, healthy and prosperous new year. A year that is sweet for all. All orders include your personal greeting though greetings must be the same for all.
