Come twitch and shout with friends!

WHEN: January 28, 2009

TIME: 6:30 - 8:00PM

PURPOSE: An understanding place to meet with other kids and parents experiencing Tourette Syndrome. Ask questions, listen, and meet a new friend. Our hope is to meet several times a year to allow parents and children the camaraderie of others sharing the same challenge of Tourette Syndrome and the tics and afflictions that accompany it.

SPECIAL GUEST SPEAKER: Dylan Peters author of *Tic Talk - Living with Tourette Syndrome - A 9 year-old boy's story in his own words*

RSVP: Please contact Tammy Peters or Stephanie Green by phone or e-mail listed below by January 20, 2009 to ensure we have enough space for all attendees.

Support Group Leader: Tammy Peters (H) 913-768- 6134 or tpeters88@sbcglobal.net

As a parent of a son with Tourette Syndrome I felt hopeless and helpless when he was diagnosed. When my son, Dylan, wrote *Tic Talk* and opened up about having TS we realized acceptance and tolerance is what we are all looking for. Over the past couple of years we have received many, many calls and e-mails from parents, kids, teachers and family members asking to just talk about living with Tourette Syndrome. It was Dylan who said, "Mom we should meet with all of these people so everyone can help each other." So, we are offering just that --- please join us.
